Description

The Akyga® AK-AV-15 cable with a length of 1.8 m is designed to connect a computer equipped with a mini DisplayPort connector, with a monitor or home theater that supports the DisplayPort standard. The cable is compatible with the devices of the most popular brands, including: Dell, HP, Lenovo, Toshiba and Acer.

It provides stable digital video transmission at resolutions up to 2560 x 1600p and 24-bit color depth. It also supports the latest gaming technologies such as NVIDIA G-Sync or AMS FreeSync, allowing you to play while maintaining detail and a clear and fluid image.
