<b>SILVYN® FCL</b>	valid from : 27.04.2016

SILVYN® FCL is a one part conduit holder with integrated lid made of polyamide. The conduit holder serve for fixing for flexible coarse and fine pitch conduits and an internal rib secures the conduit from pulling through ensuring a neat installation. Can be removed using a screwdriver if required.

**Material:** PA 66

**Features:** Fast assembly  
Anti-vibration  
Suitable for fine and coarse conduits  
High mechanical strength  
High pull off and pull through strength

**Temperature range:** -50°C up to +135°C

**Color:** Grey  
Black (UV-Resistant)

**Norm Reference:**

**Note:** Free of Halogen, Sulphur and Phosphorous

For more information please see our current catalogue.  
Please do not hesitate to contact our laboratory if there any questions regarding resistance against aggressive agents and special oil.
