Product code: 50644

Modern Hard Drive Adapter USB 3.0 HDD/SSD 2.5" with SATA 3 and built-in cable ended with USB 3.0 enable connection additional disc to your PC or laptop.

### ABOUT THE PRODUCT

Hard Drive Adapter USB 3.0 HDD/SSD 2.5" is a modern device made from high-quality materials. During the process of designing it was important to combine minimalistic style with full functionality. It's equipped with SATA 3.0 located inside the pocket which stabilizes disc connected to the adapter. This solution minimizes the impact of external conditions on the connection.

The device is compatible with systems like Windows, Vista 7/8/10, MacOS. It will let you gain a chance to join another disc to your PC or laptop, which means more space for your files and programs.

Plug&Play interface guarantees that the adapter is immediately ready to work without the installation of any additional software.
