## Matching products

- Cable plug connector, plastic lock, screw terminal connection, with UL approval
- Cable plug connector, metal lock, screw terminal connection
- Cable plug connector, stainless steel threaded lock, gold plated contacts, screw terminal connection, with UL approval
- Dual plug connector, plastic lock, screw terminal connection, with UL approval
- Dual plug connector, metal lock, screw terminal connection, Optimal contact plating, with UL approval
- Dual plug connector, stainless steel threaded lock, screw terminal connection, gold plated contacts, with UL approval
- Cable plug connector, shieldable, screw terminal connection, static ring version with die-cast threaded ring, with UL approval
- Cable plug connector, shieldable, static ring version with die-cast threaded ring, solder connection, with offset soldering surfaces, with UL approval
- Cable plug connector, shieldable, screw terminal connection, iris type spring with die-cast threaded ring, with UL approval
- Cable plug connector, shieldable, screw terminal connection, static ring version, stainless steel model, with UL approval
- Cable plug connector with wire clamp connection
- Cable plug connector, shieldable, wire clamp connection, static ring version with die-cast threaded ring
- Cable plug connector, shieldable, wire clamp connection, iris type spring, with die-cast threaded ring
- Cable plug connector, with insulation displacement connection, gold contact plating
- Male angled connector, plastic lock, screw terminal connection, with UL approval
- Male angled connector, metal lock, screw terminal connection
- Male angled connector, stainless steel threaded lock, screw terminal connection, gold plated contacts, UL approval
- Dual male angled connector, plastic lock, screw terminal connection, with UL approval
- Dual male angled connector, metal lock, screw terminal connection, with UL approval
- Male angled connector, shieldable, screw terminal connection, static ring version with die-cast threaded ring, with UL approval
- Male angled connector, shieldable, iris type spring, screw terminal connection, with die-cast threaded ring, with UL approval
- Male angled connector with wire clamp connection
- Male angled connector, shieldable, wire clamp connection, static ring version with die-cast threaded ring
- Male angled connector, shieldable, iris type spring, wire clamp connection with die-cast threaded ring
- Cable plug connector, overmoulded
- Cable plug connector, overmoulded, weld-spark proof PUR line
- Cable plug connector, overmoulded, shielded
- Cable plug connector, overmoulded, stainless steel threaded ring
- Male angled connector, overmoulded
- Male angled connector, overmoulded, weld-spark proof PUR line
- Male angled connector, overmoulded, shielded
- Male angled connector, overmoulded, stainless steel threaded ring
- Cable plug connector, POWER, screw terminal connection, UL approval
- Male angled connector, POWER, screw terminal connection
- Cable plug connector, metal lock, screw terminal connection, with UL approval
- Cable plug connector, shieldable, screw terminal connection, static ring version with die-cast threaded ring, with UL approval
- Cable plug connector, shieldable, screw terminal connection, iris type spring with die-cast threaded ring, with UL approval
- Cable plug connector, shieldable, screw terminal connection, static ring version, stainless steel model, with UL approval
- Cable plug connector, shieldable, wire clamp connection, static ring version with die-cast threaded ring
- Cable plug connector, shieldable, wire clamp connection, iris type spring, with die-cast threaded ring
- Male angled connector, metal lock, screw terminal connection, with UL approval
- Male angled connector, shieldable, screw terminal connection, static ring version with die-cast threaded ring, with UL approval
- Male angled connector, shieldable, screw terminal connection, iris type spring, with die-cast threaded ring, with UL approval
- Male angled connector, shieldable with wire clamp connection, with die-cast threaded ring
- Male angled connector, shieldable, iris type spring shield, with wire clamp connection, with die-cast threaded ring
- Cable plug connector, overmoulded

Product	<b>713-825: Protection cap for cable plug connector, IP67</b>
Article number	<b>08 2424 010 000</b>

Male angled connector, overmoulded  
Adaptor, switch cabinet bushing, shielded, with UL approval  
Cable plug connector, shieldable, CAT 5 screw terminal connection, static ring version with die-cast threaded ring, with UL approval  
Cable plug connector, shieldable, CAT 5 screw terminal connection, iris type spring with die-cast threaded ring, with UL approval  
Cable plug connector, shieldable, screw terminal connection, static ring version, stainless steel model, with UL approval  
Cable plug connector, CRIMP connection, shieldable, CAT 5  
Male angled connector, shieldable, CAT 5 screw terminal connection, static ring version with die-cast threaded ring, with UL approval  
Male angled connector, shieldable, CAT 5 screw terminal connection, iris type spring, with die-cast threaded ring, with UL approval  
Male angled connector, CRIMP connection, shieldable, CAT 5  
Adaptor, switch cabinet bushing, shielded, with UL approval  
Cable plug connector with X-coding, shieldable, CAT 6A, insulation displacement connection  
Cable plug connector, power, S-coding  
Male angled connector, power, S-coding  
Kabelstecker, POWER, T-Kodierung  
Male cable connector, moulded, T-Coding, PUR (black)  
Female cable connector, moulded, T-Coding, PUR (black)  
Connecting cable, Male cable connector M12x1, T-Coding-Female cable connector M12x1, T-Coding, PUR  
Cable plug connector M12 x 1  
Male angled connector M12 x 1
